Dear All,

What a busy half term we have had with KS1 trips, a Year 4 trip, sporting events and of course Statutory Assessments with our Year 2 and Year 6 SAT's. A very big well done to all of these pupils whose conduct during the assessments was outstanding.

It is also really pleasing that visitors to school comment on the good behaviour that they see and in addition that pupils talk confidently about the new behaviour policy. Well done to all.

I wish everyone a lovely break next week and look forward to seeing you in June.

Mrs Banks

Parking Yellow lines

We have had several complaints about irresponsible parking on the yellow lines outside school. Please help us to keep your children safe. The lines apply to everyone and even if you are in a hurry it still applies. We would hate a child to be hurt which has happened in the past.

Message from Mrs Banks re: Balls in School

Can parents please ensure that children do not bring balls into school in the morning.

Each year group has the opportunity to use appropriate school balls on a weekly rota system. I am sure you understand we do this for health and safety reasons as well as fairness and equality and your support in this is much appreciated.

ATTENDANCE

Each week we like to say well done to the class with the best attendance.

Shining Stars News

Shining Stars School Club are happy to inform everyone at St Peter's we now have our very own play area. Mrs Banks has given permission for us to have an outside space during club hours, that will also be available for children throughout the day for reflection time or quiet time.

We are especially pleased to let you know that Shining Stars applied for a community grant, which has been awarded by Blaby County Council to the sum of £627.00

This will assist us in obtaining; a Mud Kitchen, a Tree Bench, Planters and Herb Garden, Bird Table, Sandpit Bench table and also water play table.

The children are very excited and looking forward to being involved in setting up this area for use.

Reminder Help required - during the half term—Reward Bacon Butties and much more

I would really appreciate some help to revitalise the school pond and nature area which the children love to visit. Due to our winter and heavy rainfall some sycamore seedlings and nettle have sprouted. As many hands make light work, I would like to return your favour by providing bacon or veggie butties, hot choc and finally roasting marshmallows over fire pit. It will be a lovely relaxed, rewarding and fun time refreshing our outdoor classroom for Forest school sessions, mud kitchen and gardening beds for the children to use after half term.

Dates: Friday 1st June 10-12 noon or Saturday 2nd 9.30-12 noon.

We will be most grateful for any time you can spare, you are welcome to bring your children and let's have a fab morning together. Even if you haven't let the office know please feel free to turn up, we would love to see you, I'm sure we can spare some Marshmallows.

Mrs Adams

Dear Friends

It was good to welcome the School to Church on Ascension Day to celebrate the glory and majesty of Jesus Christ and the fact that he is nevertheless still with us. It was wonderful to be led in our thoughts by some of the children on that day, as we were the following week, when we had a very lively presentation of the story of Pentecost. It is very good when these services in Church are lead by the various year groups. I have already heard some very good reading and acting and miming that make the bible stories come alive and I'm looking forward to many more over the coming months. It's good that pupils have a chance to worship in Whetstone's ancient parish church, which stands for the Gospel message of Jesus Christ, which is always fresh and always new for every generation.

Your friend and Vicar

Chris Allen

The staff at St Peter's wish all children and their families a happy and relaxing half term break.
