

St Peter's C of E Primary School

Our School Vision

"In everything treat others the same way you want them to treat you" Mathew 7-12
At St Peter's our Christian Values underpin the ethos and whole life of our school.

Our aim is to:

Inspire Enrich Achieve

- ❖ Inspire pupil's curiosity and a love of learning
- ❖ Enrich pupil's social, cultural and religious experiences
- ❖ Ensure that pupils have the confidence to achieve their full potential ready for the future they chose

Everyone at St Peter's have contributed to the following list and we consider these to be important aspects to help achieve our aims and become a consistently good school.

Children enjoy going to St Peter's Primary School, they feel safe, cared for and listened to.
Teachers enjoy working at St Peter's Primary School.
The headteacher is visible.
The person on reception smiles at visitors.
Christian values are focused on and exhibited daily by all members of the school community.
High expectations of children are matched by high expectations of the staff.
There is an inclusive atmosphere where all children are valued for who they are and what they bring.
St Peter's positive learning conducts are actively encouraged and celebrated.
The outcomes for children enable them to move successfully to the next stage of their education.
Key issues like bullying and other social and emotional aspects of school life are discussed and addressed in a positive, open way.
The ability to think for themselves is encouraged and developed in all children.
Children are taught that being their best doesn't have to involve being better than others.
The school is aware that learning in something that children can do at anytime, anywhere and only part of it needs to take place at school. We highly value parents contribution to learning and partnership with them.
Children learn transferable social skills as well as facts.
Lessons incorporate a variety of learning opportunities and possibilities.
The children have the opportunity to be responsible for something and take decisions that make a difference.
The school keeps up to date with new advances in learning.
A range of enrichment events and extra-curricular activities are available to support a broad and balanced education.
The school community extends beyond the school.
Children get to think about, understand, interact with and seek to change life in the wider world.
