VIDEO FOR YOUR CHILD FROM THEIR CLASS TEACHER

If you haven't already done so please take a look at our twitter page. There is a link on the school website. All teachers have sent a video message to the children who will be in their class next year. We know many pupils will be feeling anxious and we hope this helps them to look forward to their return to school in August.

Dates for Report Collection

We would like to invite all children who are currently not in school to visit and collect their reports, books and belongings. The current class teacher or new teacher or familiar support staff will be available to chat and support you with any concerns or questions you have.

We will also arrange for belongings of older siblings to be available on the days below so that you do not have to visit on more than 1 occasion.

If you are shielding and unable to come into school please contact the school office.

Please bring a large carrier bag for each child.

Also—please bring any school reading and library books, reading diaries and phonics packs. We need to collect these in to prepare for next year.

Many thanks we look forward to seeing you on the dates below.

FREE BOOKS!

One of our kind parents has directed me towards the service that Leicestershire Libraries provides online. I have posted the website below. If you sign up (which is entirely free and easy to do), you can access loads and loads of free E-Books and audiobooks to read and enjoy over the summer. The selection includes both children's and adults, so the whole family can get involved.

I really cant stress enough the importance of your child reading regularly. It is the single biggest way to help improve their learning. If you have any questions, or need any help signing up, do not hesitate to get in touch.
