Dear Parents,

As we approach the summer break I just want to thank everyone for all the work and support you have given your children over the last few very difficult months. All staff in school have been impressed with the creative ways that you have adapted to encourage pupils to still continue with their learning.

From today work packs for Monday 6th July will be in the school foyer, as usual, and on our website. Also, this summer families may not be able to undertake their usual activities we have also included a summer challenge pack in with pupil reports. It would be fantastic if you could enjoy 1 activity each week, these are practical fun tasks and will also ensure pupils continue to practice their key skills.

Finally, as you are aware the guidance for next year is now available for schools. We will be working hard in school and with our Embrace colleagues on this, **please read all e-mails as we will be sending further important information about this.**

We are really looking forward to welcoming all pupils back next term, even though arrangement may be slightly different to usual.

Best wishes, Mrs Banks.

Dates for Report Collection

We would like to invite all children who are currently not in school to visit and collect their reports, books and belongings. The current class teacher **or** new teacher **or** familiar support staff will be available to chat and support you with any concerns or questions you have.

We will also arrange for belongings of older siblings to be available on the days below so that you do not have to visit on more than 1 occasion.

If you are shielding or unable to come into school please contact the school office so we can arrange to help.

Please bring a large carrier bag for each child.

Also—please bring any school reading and library books, reading diaries and phonics packs. We need to collect these in to prepare for next year.

Many thanks we look forward to seeing you on the dates below.

Monday 6th July 10am to 2 pm—Penguins Class

Tuesday 7th July 10am to 2 pm—Pumas Class

Wednesday 8th July 1 to 1.30 pm—Turtles Class (to be followed by a year 6 leavers picnic 1.30 to 2.30)

E-Safety

Being safe on the internet is an important aspect of the PSHE curriculum, and the current Covid pandemic has further highlighted this because of the reliance on remote learning. Therefore, below is a really helpful link to ensure that your children are being safe on the internet whilst at home.

Further, I would also just like to redirect you to the advice given by the Government about home learning as we approach the Summer Holidays.

Again, any questions or concerns, please contact the office.

Stay safe,

Mr B
