Dear All,

I cannot believe how quickly my first two terms have gone at St Peter's and how much we have achieved in working to address our OFSTED areas for improvement. I would like to thank **all** of the staff for their hard work and commitment to the school and pupils.

We are excited to welcome some new staff next year and look forward to working with them and all our parents to ensure that children can achieve their very best.

Enjoy the warm weather and a gentle reminder that children must have sun cream applied before school and bring a hat and water bottle during this very hot time. Best wishes.

Mrs Banks

ATTENDANCE

Each week we like to say well done to the class with the best attendance.

Best Class	Week commencing	Percentage
Crocodiles	21/5/18	97.37
Cheetahs	4/6/18	97.67
Tigers	11/6/18	99.41
Turtles	18/6/18	96.73

CHEWING GUM

Please note under no circumstances must children bring chewing gum into school. We also ask all parents to refrain from chewing gum while on the premises. Thank you

Dear Friends

The end of term is approaching and with it the end of another school year. For some pupils it means that their days at St Peter's School are coming to an end. This is a big step forward in life but it can be a little daunting too, so remember, you're not forgotten and we shall be pleased to hear of your progress in the future. We also want to wish every blessing for those staff who are also leaving and say a big thank you for all they have done for us at St Peter's over the years.

Friday 29th June is St Peter's Day when we remember our Patron Saint. Peter was one of the closest friends of Jesus, yet just when Jesus needed him most, he let him down. But later, after he rose from the dead, Jesus forgave him and opened up a new future for him. Jesus set him on a new path of leading the Church and its mission and caring for the believers across the known world. That's a lesson that can give encouragement to all of us. God has work for us to do and for God nothing can prevent us from continuing to serve him in sometimes new and wonderful ways.

Your friend and Vicar

Chris Allen

SAFE GUARDING

If you have any concerns re the well being or care of a child. Please speak to the school office and they will put you in touch with the schools safeguarding lead.

GDPR

As you are no doubt aware, the new EU General Data Protection Regulations (GDPR) come into force (25 May 2018) Our Data Protection and Data Retention policies have therefore been updated accordingly and are available to read on our website together with our Privacy Notices in this respect. Should you not have internet access and require paper copies of same, please ask at the school office

YEAR 6 WARNING ZONE

Year 6 had a great day out recently at the Warning Zone life skills center. The children learnt a huge amount about a variety of topics including fire safety, staying safe online, the potential hazards on building sites, the dangers of alcohol and under-age drinking, risks around water, criminal damage and arson, road and railway safety. The children learned some really important life lessons in a fun and interactive way.

WASPS

Cake Sale: A big thank you to everyone who supported our cake sale on Monday either making wonderful cakes or buying them. We raised a magnificent sum of £70.80.

Film night: We look forward to seeing many of you on Film night this Friday 29th June another popular way of raising funds for school.

Ice Pole Friday: these will continue to take place every Friday after school. We are pleased that everyone is enjoying this and again it helps to raise funds.

Staffing

We are looking forward to welcoming new members of staff next year. Here is a little more information about them and the skills they are bringing with them.

Miss Abbott

I have lived in Leicester all of my life and I see myself as a very outgoing, bubbly person. I am also very sporty and used to play for the Leicester academy. I used to be a sports coach and I am hoping to start up many different sports clubs to offer to the children. I love to travel around the world to see different cultures and new places.

I have had a lot of experiences in schools and I cannot wait to meet my new class.

Mrs Bindley

I am a mother of two teenage children and I have lived in Leicestershire for many years. I have lots of experience of volunteering within schools and am really excited about getting to know my new class and working with them over the next year.

I enjoy gardening and cookery and I look forward to being able to offer an after school cookery club (if that's possible) or an after school science club.

Mr Bolstridge

I have a keen interest in travel and have been very lucky to have seen many amazing places around the world. Probably the most interesting past experience in my life is that I worked on a boat for a summer in Massachusetts going back and forth to the beautiful island of Martha's Vineyard (where the film Jaws was filmed!)

My degree was in History and I still love reading and learning about different periods of history. As well, I love English, especially reading and am constantly glued to my Kindle. I have successfully ran a Year 5 and 6 football team for the past three years at my previous school. In each of the three seasons, we have won the Small School's League and I would love to bring similar success to St Peter's for the coming season!

I am quite sporty and run regularly to keep fit. I completed the Leicester Marathon in 2016 and have ran a few half marathons as well including the Great North Run with Mo Farah. Though admittedly, he was quite far ahead... I also play football every week and still believe deep down that I could have done a good job in the current England team at the World Cup!

Miss Dunn

I am a Girlguiding leader with girls aged from 7-18. I have been involved in Girlguiding from a young age and enjoy going on camps, trips and holidays with them!

I have a particular interest in the theatre and enjoy trips to The Curve to see the latest musical!

I have led clubs in drama and computing before and enjoy teaching these to the children.

Mr Wright

I spent my childhood living in Leicestershire. I have also lived in Birmingham and Leeds where I went to University. I enjoyed my time at University mixing with new people and learning new things. After I completed my degree I worked within a primary school as a sports coach for 2 years, which I thoroughly enjoyed.

As a football fan I was there to watch Leicester City win the premier League.

I play a sport called Korfbal (a mix between Basketball and Netball) for Leicester Tornadoes Korfbal Club. I started playing whilst at the University of Birmingham and I was awarded the most valuable player at the National Championships whilst doing my PGCE at Leeds Beckett University.

I am looking forward to getting to know the staff and pupils at St Peter's.
