

## Magic Number Activities

For each day you need to use the number in the star to complete the sheet.

- Write the number in words
- Is it odd or even?
- What is it greater and less than?
- Partition the number into the place value grid
- Put the number into a number sentence eg  $386 + 963 =$  and then solve it!
- How can you make that number in coins? Think of 257 as £2.57

What other things can you think of that link to this number? Can you multiply it by different numbers? What is 1 less, 1 more, 10 less, 10 more, 100 less, 100 more....?

Make your own poster for a thousands number, tens of thousands number.....
