Reading	Think of a film or TV character that you like and design a story book with them in. Make a cover and blurb. What would it be called?	Spend 20 minutes quietly reading on your own today. Find a space in your house that is calm and quiet and enjoy reading to yourself.	Use the internet to research about recycling. Spend some time reading facts on child friendly websites.	Use your facts from yesterday to write them into your own sentences. What can you remember? If you need to copy things from the internet that's ok.	Read a book or a couple of chapters of a book – retell the story / what you have read by explaining it to an adult or someone else at home.

Reading	Read some of your reading book and find some words you didn't understand. Use an online dictionary to find the meanings of these words.	Get someone in your family to read with you today and ask you questions to see how much you could remember. Try answering the questions without looking back in your book!	Spend 20 minutes quietly reading on your own today. Find a space in your house that is calm and quiet and enjoy reading to yourself.	Draw a character from your book and write some adjectives to describe them around the outside.	Pick one of your favourite books and draw your favourite part from it. Mine would be when Harry Potter finds out he is a wizard.
