Reading	Reading Research Task (15mins per day) This week you need to pick a topic to research about. (Think about an animal, a place, a famous person) and use your reading time to research on the internet and using any books you have. You need to read resources independently and make notes about what you have read. Then, you can turn what you have learnt into a booklet or leaflet. Try and summarise your information and put the new information into your own sentences and words so you are understanding what you have read.
